October 25, 2016

Dear Corporation Leaders,

We cordially invite you to nominate one of your employees to receive the prestigious CESASC Achievement Award at the CESASC annual convention to be held on April 15, 2017 at Sheraton Universal Hotel. This year's convention theme is "Building for the Future". We look forward to receiving your nomination and collaborate with you to build a better future for Southern California and the world.

The Chinese-American Engineers and Scientists Association of Southern California (CESASC) is a non-profit organization founded in 1962. Its mission is to promote and advocate the best interests, aspirations, and professional excellence of Chinese-American engineers and scientists, and to provide career and educational enhancement opportunities, technical exchange, fellowship and community service. Since 1969, CESASC has presented Achievement Awards at its annual convention to recognize Asian American individuals who have made significant contributions to engineering and science, or those with distinguished professional career in the United States. Our previous award recipients included Nobel Laureates, members of US National Academy of Sciences, National Academy of Engineering and Institute of Medicine, Corporate and University executives, members of Committee 100, as well as public officials.

You can learn about CESASC at <http://www.cesasc.org>. Last year's awardee profiles are posted at <http://www.cesasc.org/sites/default/files/CESASC%202016%20Awardees%20Highlights.pdf>. Awardees from earlier years can be found in each year's convention journal at <http://www.cesasc.org> under the tab "CONVENTION". We respectfully request that awardees attend the CESASC annual convention in person.

Please send your nomination to me at huisunew@gmail.com. Should you require any additional information, please contact me by email or by phone, 818-398-9474.

Thank you very much for your consideration and best wishes for you and your corporation!

Sincerely,

Hui Su, Ph.D.
CESASC 2017 Award Committee Chair
